

CLASS™ PRE-K OBSERVATION (RELIABILITY) TRAINING

FEBRUARY 8 & 9, 2018

8:30 AM – 5:00 PM EACH DAY

LUNCH IS ON YOUR OWN

University of Nebraska-Omaha

Weitz CEC Building, Room 127

6400 South, University Drive Road North (park in Lot E)

Omaha, NE 68182

*\$180.00 Nebraska Residents**

During this two (2) day session, participants will gain an understanding of the CLASS, the domains and the teacher-child interactions that support children’s learning, and learn to code using video observations. Completion of the online reliability test with 80% accuracy will allow participants to conduct CLASS observation in classrooms.

** The registration fee includes 2 training days, the CLASS™ manual, the score sheet booklet, and online access to practice videos and the reliability test.*
